CME Tracker

Transcript information for past activities can still be accessed by using the following link ([click here](#)). You will continue to use the same login information used for credit claim in the past few years. In the left navigation menu, select "CME Transcript." *Note: You can also access past certificates by clicking on "Credit History & Past Certificate" in the left navigation menu.*

Ethos CE

Access your account at ce.bswhealth.com. BSWH employees and HTPN providers will use their network login. Select "My Account" tab and "My Transcript" link to navigate to access your transcripts. *Note: If you do not see all of your activities in "Completed Activities," select the "Session" tab to access your transcript for Regularly Scheduled Series (RSS) attendance.*

External Credits

Upload your attendance and certificates for activities within the Ethos CE platform. Access your account at ce.bswhealth.com. Select "My Account" tab and "My Transcript" link to navigate to access your transcripts. Select "External Credits". You will be able to enter external information by clicking "Add credits" above the date range. Complete the information for the credit, upload a certificate, and save.
