Required items omitted will return pink bars with red font at the top of the screen to indicate areas need to be updated.

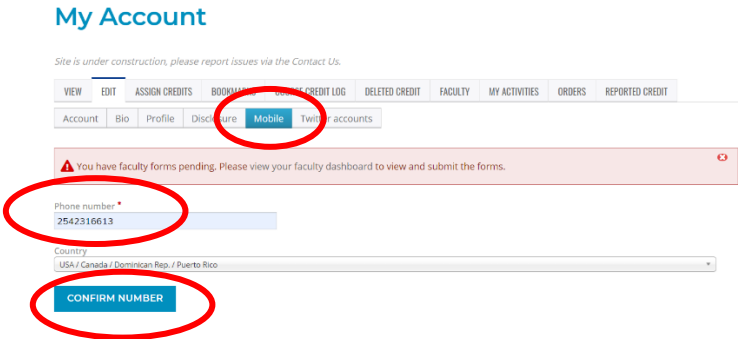

Click on “Edit” in the gray navigation bar to go back in and set your “Mobile” number.

Click on “Mobile” in the submenu

Enter your mobile number.

The system will text a number for you to confirm the number. Enter the four-digit number sent to your phone and click “Confirm Number”

Click “SAVE” when profile has been updated.

Click “HOME” in the blue navigation bar to access a list of your pending activities.
